DETAILED ACTION

Response to Amendment

1. The amendment filed on 09/30/05 has been entered and made of record. Claims 1-37,55-82 are currently pending.
2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Edward Kmett (Reg. 42,746) on June 12, 2006.

The application has been amended as follows: Claims 74 and 80 change "a memory medium" on line 1 to --a computer readable medium--.

Allowable Subject Matter

3. Claims 1-37,55-82 are allowed.
4. The following is an examiner's statement of reasons for allowance: Claims 1-37, 55-82 are allowable over the prior art of record because the Examiner found neither prior art cited in its entirety, nor based on the prior art found any motivation to combine any of the said prior art which teaches a method for adjusting a device's color gamut by performing forward mapping of sample colors for ma device-dependent color space to a device-independent color appearance space to obtain forward-mapped device-

independent values; obtaining mismatch values for perceived device-neutrals which are perceived as being neutral by a human being, each mismatch value being a difference between a forward mapped value for the device-neutral and a neutral axis of the device-independent color appearance space; and adjusting each forward-mapped device-independent color appearance space value by utilizing the obtained mismatch value for each corresponding lightness level or device-neutrals in order to obtain an adjusted forward mapping, respectively, as taught in Claims 1,19,37,55,73,74,75,77,79,80,81,82.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
